Code of recommended practice on local authority publicity

It was resolved that the Parish Council would contribute to this Consultation by the
Department for Communities and Local Government.

Parkland Maintenance Programme

It was noted that Stock should be removed for January/February. This had taken place.

Following previous discussions it was resolved that Orton Community Parkland (Carsa Brow) should be registered as a Village Green. Clerk to make the necessary arrangements.

EDC Sport & Active Recreation Strategy 2009 – 2014

It was resolved that the Parish Council would contribute further to this Consultation as the Clerk had been a member of the EDC Sport & Recreation Committee.

Highways

A quotation had been received from Capita for proposed remedial works to gates on footpath from East Lane to the Market Hall. It had formerly been agreed to share the cost with the County Council. County, however, suggested paying for materials if the PC paid for labour. This would result in the PC paying substantially more than half the cost. The Clerk will continue to negotiate with Capita.

Corless Bursary

A letter of thanks had been received from Jennifer & Ben Pearson who each received £25.00 in 2008.

Public Participation

There were no contributions from members of the public.
